Ref:
785841

Bedrooms: 1

Bathrooms: 1

Build: 52m²

Plot: 60m²

Experience a refreshing perspective on coastal living with our collection of luxury residences, each offering breathtaking views of the Atlantic Ocean. The main architectural concept was to create a light form that integrated seamlessly to its coastal context through the use of soft corners, lush vertically integrated gardens and an earthy color palette of organic materials such as limestone, wood and natural plasters. The narrow plot
